

# NEW CHALLENGES - BETTER SOLUTIONS

Sending Yellowstone County students back to school safely and with increased knowledge of substance abuse danger.

**Overview:** As COVID 19 turned our community and prevention programs upside down, we took the opportunity to create lasting materials that engage with parents and youth in a manner like never before. With our COVID healthy bags back to school program we were able to connect with over 10,000 Yellowstone County students and parents.

KEY DETAILS	32	VOLUNTEERS
	72	HOURS
	23	SCHOOLS INCLUDING PUBLIC AND PRIVATE
	10,000	NECK GATORS, PREVENTION THEMED COLORING BOOKS, AND RESOURCES AND MATERIALS
